

## **Behavioral Consequences**

### **DETENTIONS**

Once a student reaches five detentions in a sport specific season, a one game suspension ensues and continues on after each repeated detention. More than ten detentions in the sport-specific season will result in removal from the team.

### **SUSPENSIONS**

If a student has received an In School Suspension (ISS) or Out of School Suspension (OSS) the student will be suspended for however many games the ISS/OSS is for. EX: 3 day ISS/OSS = 3 game suspension

### **EXPULSION**

If a student has been expelled from school during the sport specific season, the student will be removed from the team immediately.

### **ABSENCE**

***Unexcused absence-*** a total of five unexcused absences from practice will result in removal from the team.

Unexcused Absences 1 through 4- Depending on the sport, coaches have the choice to sit student athletes for quarters, halves, games or by minutes.

***Excused absences-*** emergencies, doctor appointments (note needed, or follow up email/phone call by parent to the coach or athletic director), funerals, family vacations and religious holidays/purposes are all considered excused absences.

Students must tell their head coach in person by phone or by email, if they are going to miss a practice. If another teammate is told to let the coach know, that is recorded as an unexcused absence. (Self Advocacy!)

"I forgot my clothes/shoes" is NOT excused. "Tell coach I won't be there" is NOT excused.

Fighting with teammates, opponents, coaches or officials will not be tolerated. The athlete will be removed from the team immediately.
